Session Times

The 23rd International Conference of Europeanists will convene each morning at 9 a.m. Each session slot is allotted one hour and 45 minutes, with a 15-minute break in between each session and an hour and 15 minutes for lunch. There will be four session slots throughout the day, two before lunch and two after.

The first session of the day will begin at 9 a.m. and go until 10:45 a.m. The second session of the day will begin at 11 a.m. and go until 12:45 p.m. Following a lunch break, the third session of the day will convene at 2 p.m. and go until 3:45 p.m. The fourth and final session of the day will start at 4 p.m. and go until 5:45 p.m.

Following the final session, there will be another fifteen minute break before evening conference events take place. There will be two plenary sessions, one on Thursday and one on Friday evening, both starting at 6 p.m. Following the plenary session on Friday, there will be a reception, starting roughly at 7:30 p.m.

Technology

Each session room will be provided with a laptop, a projector, and a projection screen. Session organizers are strongly encouraged to collect all presentations from their session presenters on a USB device before the conference and then arrive at their session room early to pre-load those presentations onto the computer. Both these actions will help prevent technological delays during the session.

There will also be an official conference app available for download on all Android, Apple, and Blackberry devices. The app will include information about sessions, locations, exhibitors, and conference sponsors, as well as other useful information.

CONFERENCE VENUE

The 23rd International Conference of Europeanists will take place at the DoubleTree by Hilton Philadelphia Center City, which also acts as the official conference hotel.
